Mr. Jones in his report stated that nine colored men were working on the new post office; nearly 50 on the Pennsylvania Railroad Station project; and that a call had come from Baumgardner's asking for 10 extra men for the holidays. Upon inquiry, Mr. Jones found that the Loft Candy Stores would give their help full time work for the holidays instead of half time at present and not employ extras. In concluding, Mr. Jones presented a program forum for the unemployed which he had worked out for several Tuesday evenings from 8:15 to 9:30 o'clock, the first period from 8:15 to 8:45 having a speaker, the second period from 8:45 to 9:30 to be given over to information and service.

Miss Simkins' report showed that the month had been given over largely to the management of the home and the establishment of case work. Since proper recreation is necessary the residents of the Home have been organized for this.

The Treasurer's report of Nov. 1st:

Bank Balance.....	\$ 8.24
